# Useful information

## Plan online

To make sure you have the most accurate train times, it's always best to plan your journey using a journey planner. We have them on our website and app, at our staffed stations and over the phone.

## Bring your bike

There is space for at least one bike onboard our services, and you do not need to make a reservation in advance. These are allocated on a first come, first served basis, and if the train is quiet, the Senior Conductor may allow more bikes onboard.

## Travelling with a bike to or from London Euston?

Please be aware that on weekdays, only folding bikes are allowed on trains arriving at London Euston between 0700 – 1000, and departing between 1600 – 1900.

## Getting assistance at the station

Call us on 0800 024 8997 if you need some help getting on or off our trains and we'll make the arrangements. Please give at least 24 hours notice if possible.

## Before you travel

We may be required to make some changes to the timetable, therefore we would recommend that you check your journey before travelling. You can check train times on the LNR app, at [lnr.uk/plan](http://lnr.uk/plan), or by calling National Rail Enquiries on 03457 48 49 50.
